*"We had a great time at the DIAHC and found that the event provided us with excellent exposure to prominent equestrian networks in Dubai. The organisers were friendly, professional and went out of their way to ensure that the Sponsorship process was smooth and easy. The event was well organised and ran like clockwork from set-up to tear-down. As Sponsors, we found that the benefits of the event outweighed the Sponsorship costs, making it value for money and our participation in this event was invaluable in strengthening our presence in Dubai and the wider UAE. **Loddon Engineering , UK (Stable Manufacturer)***
